

Research Assistant Application for the Evolutionary Psychology Lab

Name: _____ Email address: _____

Anticipated Graduation Date: _____ Major: _____ Minor: _____

Prerequisites

Please note that you must have completed my Evolutionary Psychology course and passed with a B- or better, or you must take my EP course the semester in which you're applying for 498. I require that my research assistants have taken or are concurrently taking my Evolutionary Psychology class, because it's difficult to understand and contribute meaningfully without this background. Also note that we will have biweekly lab meetings on Wednesdays from 1-2PM. You must be available at this time.

Number of PSYC 498 units requesting (1-3; 1 unit translates to about 3 hrs of work/week): _____

Total number of units enrolled (in the semester in which you're applying for 498): _____

Cumulative GPA: _____ SAT score : _____ ACT score (out of 36): _____

Plans upon graduation (briefly): _____

Previous psychology courses taken: _____

Do you have any previous research experience? ___ Yes ___ No

If yes, please describe: _____

How often do you check your email?

- Once a week
- Twice a week
- Every other day
- Almost once a day
- Once a day
- Twice a day
- Multiple times a day

How organized are you?

- Maybe the least organized person alive
- Not very organized
- Somewhat organized
- Very organized
- Maybe the most organized person alive

Any other comments you feel we should take into consideration? _____

**If you have any questions, contact me (agoetz@fullerton.edu) or see the official PSYC 498 application (http://hss.fullerton.edu/psychology/pdfdocs/498_application.pdf). Please complete the current form, and return to it me (H-725G or via email) before completing the official application. Thanks.
